Janice,

Please find attached the DOH formal response to Walter Chun's 3/5/14 complaint.

Eric,

Feel free to email the response separately to Walter and the three entities managing the housing (including their consultant, Dennis Poma), but please don't cc: the above DOH staff copied on this message.

Gary and Keith,

FYI.

Attached is our response to Walter Chun's 3/5/2014 complaint letter on pesticide-impacted soil at Kaneohe MCBH. (The original complaint letter is also attached for your reference.)

The letter is all ready to go, and will be mailed out first thing Monday.

Thanks,
